IDENTIFY CONCERNS

The current Wray FCCLA Chapter website doesn't provide efficient access to information about the Wray FCCLA Chapter.

SET A GOAL

Members of the Wray FCCLA Chapter should be able to more efficiently find information about the Wray FCCLA Chapter.

FORM A PLAN (WHO, WHAT, WHEN, WHERE, HOW, COST, RESOURCES, AND EVALUATION)

Design a website design that is easily navigable and simple, but that also provides all the necessary information. Build the website with HTML5, CSS, and Javascript by February 1st.

ACT

Create the overall design of the webpage, and then build page by page with HTML5, style with CSS, and animate with Javascript.

FOLLOW UP

The website should be updated regularly for FCCLA members and the community. I will contiue to learn about the Mission of FCCLA and coding.
